## **Harry S. Dent Jr | Chief Investment Officer**

Harry is the Chief Investment Officer of the Dent Sector Fund.

As a world renown economic commentator and a regular expert speaker with the world's leading media, he has spent a lifetime speaking to leading executives, financial advisers and investors around the world about demographics and the power of identifying different cycles and sectors.

A lifetime considering real choices made by millions of real people across the globe.

It is experience that allows him to identify the changing investment seasons, and offer truly meaningful insight to what we can expect in the future.

50 years  
of knowledge

11 economic  
publications

## The Dent Sector Fund

The **Dent Sector Fund** takes advantage of Harry's vision, and represents the first time that ordinary investors can invest as Harry would.

Harry believes that the best investment sectors are driven by fundamental trends that are reflected in cycles that have their existence firmly in the past, and which provide a stepping stone to the future.

The Fund's investments are selected based on what Harry believes is the likely future.

This fund offers a unique opportunity to access Harry's wisdom. A simple and affordable way to invest as he would.
