Solid Waste Fee Grant Relief Program

Your application for Real Estate Tax Deferral will automatically be used to determine your eligibility for relief from paying a portion of your solid waste fees. Therefore, if you file for a Real Estate Tax Deferral, it will not be necessary for you to take any action or file a separate application for the Solid Waste Fee Grant Relief Program.

However, if you do not plan to apply for Real Estate Tax Deferral, you must separately apply for the Solid Waste

Relief by contacting the City of Newport News Call Center at 757-933-2311.

The Real Estate Tax Deferral Program and the Solid Waste Fee Grant Program have different income guidelines.

You will be notified of eligibility for both programs by letter to be mailed in October of each year.
