

## Tax Relief for the Elderly & Disabled

- The 2023 Tax Relief forms (certifications and renewal applications) have been mailed. If you have not received yours by March 10, please contact us at 703-737-8557 or by [email](#).
- New Applicants: Please read the requirements on these webpages, then complete the [2023 Loudoun County Tax Relief Application \(PDF\)](#) and provide supporting documentation.

### Real Property Tax Exemption: Elderly & Disabled

Qualified applicants may be exempt from paying real property taxes on their home and lot, up to three acres. Land in excess of three acres and any additional lots or structures are ineligible for relief. Manufactured homes (mobile homes) may qualify for tax relief.

### Personal Property Alternative Tax Rate: Elderly & Disabled

Each qualified applicant is taxed at the alternative tax rate on one vehicle. The alternative rate is set annually by the Board of Supervisors and has historically been \$2.10, which is 50% of the regular personal property tax rate.

Tax Relief must be requested by filing a form annually with the Commissioner of the Revenue. Loudoun County utilizes a triennial application procedure. First-time applicants must file an application and provide supporting documentation, such as social security statements, bank statements and income tax returns. The same is required every three years. For the two years following each application year, a one page certification must be filed.

Filing deadlines for 2023 tax year applications and certifications are:

- April 3, 2023, for all applicants who filed previously
- September 1, 2023, for first-time personal property tax relief
- January 2, 2024, for first-time real property tax relief
