Highland County Commissioner of the Revenue

Attention Property Owners

In accordance with Virginia state law, a general reassessment is underway for the purpose of equalizing real estate assessments. The Highland County Board of Supervisors have contracted with Wingate Appraisal Service to conduct the reassessment. When an appraiser visits properties in 2023, there will be a magnetic sign on the vehicle as well as a name badge identifying the individual as an employee of Wingate Appraisal Services. If you have any questions please call the Commissioner of the Revenue's Office at 540-468-2142.

Mission: The mission of the Commissioner's office is to provide fair and equitable service to the taxpayers of Highland County in accordance with local ordinances and the State Code of Virginia. We vow to administer the highest level of customer service by providing accurate and useful information in an efficient, courteous and timely manner.
